

Our Mission

includes

**Going “Beyond the Call of Duty”
To Help You Succeed**

Capability Statement

Core Competencies: Eastern Personnel Services, Inc., is a full service Staffing Firm. Eastern has been in business since 1987. It is our mission to go “*Beyond the Call of Duty*” To Help You Succeed, by providing quality staffing and a customer experience that ultimately exceeds your expectations.

Performance: Our client list includes Colleges, Health Care Facilities, Water Companies, Electric Companies, Small and Micro Businesses, Technical Companies, Convention Centers, Manufacturers, Warehouses, State, City, and County Governments, and other Recruitment Organizations. We support companies and organizations with professional, supportive, skilled, and unskilled workers. We’ve served clients throughout the States of Ohio, Kentucky, Tennessee, Georgia, Pennsylvania, and Illinois.

Differentiators: Our business model dictates we employ a diverse staff varying in age, gender and race. Since we serve both job seekers and employers, our strength has been built on knowing what helps our clients succeed and where to place our competent people. We are able to reach out and connect with a wide range of talent with various skill sets. It is important that our model allows us to give quality service at a competitive rate.

Divisions:

Placement Division — Provides Temporary, Direct Hire and Temp-to-Hire Personnel at all levels.

Background Services Division — Provides FBI/BCI Digital Fingerprinting, Credentialing, and Reference Services.

Vending Division — Provides a variety of Vending Machines serviced by Eastern’s staff.
