Notice of Construction and Traffic Alert for Madeira *Camargo Road closed between Demar Road and East Ledge Street from early November through Spring 2026*

CINCINNATI – Construction and traffic impacts will occur in the City of Madeira starting in mid-October as the Metropolitan Sewer District of Greater Cincinnati (MSD) installs a new sewer line in and around the Kenwood Hills neighborhood. The project is expected to be completed by summer 2027, pending weather and field conditions.

Please see the attached project map.

Camargo Road in Madeira will be closed to thru traffic between Demar Road and East Ledge Street from early November through spring 2026. Local access to homes will be maintained. The detour is via Shawnee Run Road to Miami Road to Indian Hills Road and vice versa. In addition, streets in the Kenwood Hills neighborhood may be reduced to one lane during working hours.

Please plan accordingly to avoid delays

MSD's contractor, Rack & Ballauer Excavating Company, Inc., will be constructing about 9,500 feet of 8-inch-diameter gravity sewer line, 3,300 feet of 2-inch-diameter low-pressure force main, and lateral sewer stubs to bring public sewer service to 160 properties. The contractor will generally work 7:00 a.m. - 5:00 p.m. Monday through Thursday, with work on Fridays or the weekend as needed.

For additional information, please visit the project webpage at msdgc.org/Kenwood or contact MSD Customer Service at (513) 244-1300 (option 5) or MSD.Communications@cincinnati-oh.gov and reference Project ID# 10370025.
