### **Traffic Alert for Colerain Township**

*Traffic impacts on Pippin Road from mid-June through July 2023*

CINCINNATI – Traffic impacts will occur on Pippin Road in Colerain Township starting in mid-June through mid-July 2023, pending weather and field conditions. The Metropolitan Sewer District of Greater Cincinnati (MSD) is installing a new sanitary sewer lateral in the 8900 block of Pippin.

*Please see the attached project map.*

Pippin Road will be reduced to one lane between Compton Road and Mercury Avenue. The road will re-open during the evenings and weekends. Please plan accordingly to avoid delays.

MSD's contractor, JT Lohrer Construction Co., will be installing 64 feet of 6-inch-diameter sewer lateral. The new lateral will bring public sewer service to one property on Pippin Road and allow the property to eliminate their on-site septic system.

Construction work will generally take place Monday through Thursday 7:00 a.m. to 5:00 p.m.

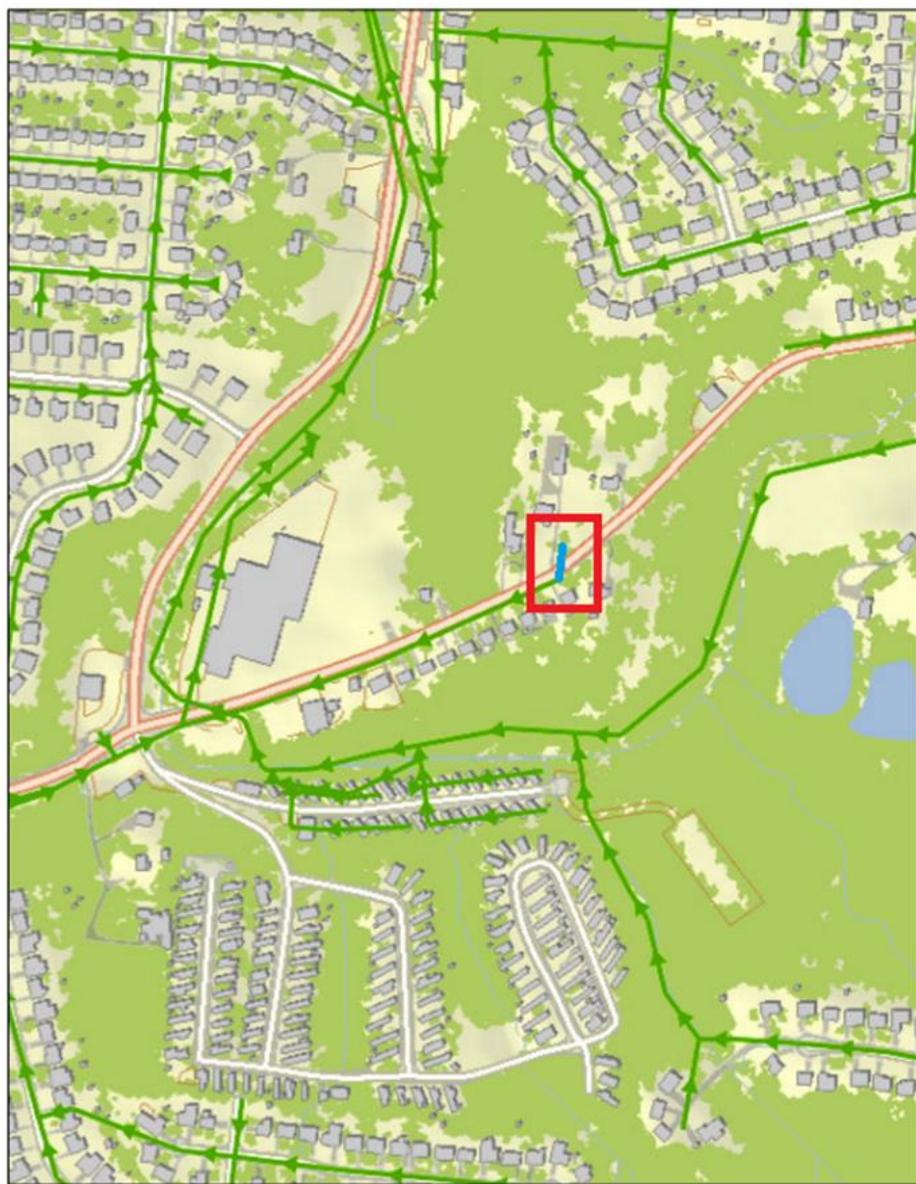

In addition to traffic inconveniences, typical construction-related disturbances such as noise, dirt and vibrations should be expected throughout the construction period. If a planned interruption of utility service is necessary, you will receive notification prior to the interruption.

For additional information about the MSD project, please contact MSD Customer Service at (513) 244-1300 or [MSD.Communications@cincinnati-oh.gov](mailto:MSD.Communications@cincinnati-oh.gov).
